

# In Loving Memory of "Blondie"

**Armes Sleek Blonde Ms**

*Our Sweet Blondie went to Doggy Heaven June 28, 2009.*

*On June 27<sup>th</sup>, she was bitten multiple times by a large Prairie Rattlesnake. Her fearless nature and curiosity was no match for this venomous killer. After great efforts and lots of medication, Blondie's fate was in the Lord's hands. We are very heartbroken to have lost one of our girls and feel a void amongst Armes Ranch. Blondie was raised here at Armes Ranch, born to Ziggy and Lola, and had matured into a beautiful representation of the Dachshund Breed. She produced for us two gorgeous litters that are growing into awesome dogs just like their mom.*

*She will be greatly missed!!!*
